## Announcing the PPF Prayer Initiative

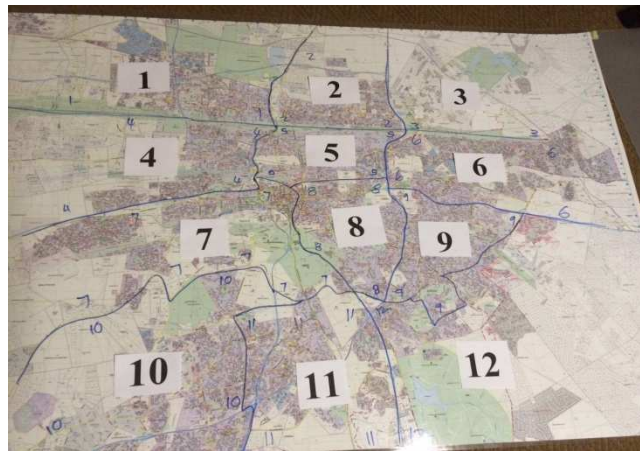

# Redeem Our City (ROC)

## Project 1: "Restoring the Foundations"

PPF is launching city wide prayer projects under the "Redeem Our City (ROC)" prayer initiative. Born again believers from all denominational backgrounds are invited to become part of these projects so that an army will arise to pray strategically and corporately for issues that spiritually influence our metropole.

For **Project 1: "Restoring the Foundations"**, the Tshwane metropole is divided into 12 regions. Twelve groups have been formed to pray about foundational issues in the city.

We believe that the New Jerusalem is God's "heavenly blueprint" for cities.

Studying the foundations of the New Jerusalem in Scripture have lead us to conclude that the spiritual foundations of our city are the individuals that were active in founding the city and in the early history of the city.

Each group will be assigned one of these individuals, who will be the focus of the group's prayer action on the 2nd of May.

The groups are currently preparing for the **city-wide prayer action on Monday, 2 May 2016**. Each team will be provided with information, research and prayer guidelines to participate in this city-wide prayer initiative.
