## Feedback on the PPF Prayer Initiative *Redeem Our City (ROC)* Project 2: "Building a Holy Temple"

Born again believers from all quarters of the City gathered on 24 September 2016 for Part 2 of the PPF "Redeem Our City (ROC)" prayer initiative. The ROC2 theme was "Building a Holy Temple".

The project consisted of two complementary spiritual aspects, namely, tearing down the defiled temple elements in our city and raising up the holy, Godly temple.

This was informed by the identification of certain temple elements and facets based on revelations from Biblical scripture (schematic representation on the left).

Eight teams met regularly for a time of research, receiving direction from God,

corporate prayer and preparation for the team's assigned false temple.

On the morning of the 24<sup>th</sup>, the teams set out to the site of their assigned temple to engage in prayer to tear down the false elements. On the right is a collage of activities on that day. At the conclusion of assignments, the teams gathered at the base camp to celebrate and to raise up the Holy Temple, concluding with a renewal of the eternal covenant that is available to us in the blood of Christ Jesus. Let us recommit ourselves to walk in this covenant in complete submission to Christ.

## Looking forward to 2017 with expectation

The ROC project, by the grace of God, continues in 2017. Gates are the focus of ROC3 planned for the first half of 2017. Scripture reveals the gates of a city as decisive spaces for dispensing justice, closing business agreements and covenants between people, consulting the wise and deciding matters of government.
